#### How to Verify the Authenticity of this Report:

付付む カメディー

This report was issued to the named recipient on the date shown below. To verify the authenticity of this report, visit https://ovsonline2.ecfmg.org/verify/verify.aspx and enter the unique verification code at the bottom of the report. The information contained in this report is current as of the issue date. Any changes to the physician's status after the issue date will not be reflected, and you are encouraged to request an

The purpose of this Status Report is to indicate whether this individual is certified by ECFMG. It reflects only examinations that were used to fulfill requirements for ECFMG Certification. The most recent passing performance on the clinical skills examination is reflected, regardless of whether this individual was required to take a clinical skills examination for ECFMG Certification. This Status Report is not a complete score history of all examinations for this individual. This Status Report does not include examinations that were taken but not passed. Furthermore, if this individual passed examinations that were not used to fulfill the requirements for ECFMC Certification, these examinations are not included.

\*\*To obtain a complete history of and scores for USMLE Step examination(s) that may have been taken by this individual, contact the appropriate registration entity to request a USMLE transcript.

- † Since July 1986, ECFMG has verified medical school credentials directly with the medical schools, or through a reasonable alternative that has been approved by the ECFMG Medical Education Credentials Committee. Important Note:

Requesting organizations must normally secure and retain the physician's signed authorization to obtain certification information. Organizations may not resell the information or make it available to any party beyond the initial request as authorized by the physician. The information may only be used to confirm ECFMG certification for the purpose for which the physician provided authorization. Report Verification Code: DXD0C14D9F

#### HEALTH INFORMATION TECHNOLOGY

Please contact the Maryland Health Care Commission at 410-764-3330 for questions relating to this section.

#### Electronic Health Record Incentive

Beginning in 2011, physicians that adopt an electronic health record are eligible to receive an incentive either under Medicare or Medicaid. To receive this incentive, a physician must meet certain criteria, which varies depending on which program you choose. The Medicare incentive is up to \$44,000 over five years and the Medicaid incentive is up to \$63,750 over six years. Physicians are encouraged to learn more about these incentive opportunities by visiting the Centers for Medicare and Medicaid Services website <a href="http://www.cms.gov/EHRIncentivePrograms/">http://www.cms.gov/EHRIncentivePrograms/</a>

This question is about the use of computers and other forms of information technology, such as hand-held computers, in diagnosing or treating your patients at your primary office/practice location, which you listed in Question 18 - Primary Practice / Office Location Primary Practice / Office Location

Please complete the following HIT questions for: Dr Abdul Chaudry

1. This question is about the use of computers and other forms of information technology, such as hand-held computers, in diagnosing or treating your patients in your office.

Are you computerized in your office:

a. To obtain information about treatment alternatives or recommended guidelines?

| ● Yes ○ No  |
|---|
| b. To send prescriptions electronically to a pharmacy?  ● Yes ○ No  |
| If you answered Yes to 1b, what percentage of prescriptions are submitted electronically? 90 % (Enter Whole number)   |
| c. To generate reminders for you about preventive services needed for your patients?    Yes O No  |
| d. To access patient notes, medication lists, or problem lists?    Yes   No   |
| e. For clinical data and image exchanges with other physicians?  ○ Yes   ○ No   |
| f. For clinical data and image exchanges with hospitals and laboratories?  O Yes  No  |
| g. To communicate about clinical issues with patients by email?  ○ Yes  ○ No  |
| h. To obtain information on potential patient drug interactions with other drugs, allergies, and/or patient conditions?    Yes O No   |
| 2. Does your primary office/practice location use electronic MEDICAL RECORDS (not including billing records)?  O Yes, all electronic  Yes, part paper and part electronic  O No O Don't know  |
| 2a. If Yes, what is the name and version of the EHR system?  Other  |
| Other Lytec   |
| 2b. If No, please indicate your most significant reason for not using electronic medical records.   |
| O Capital cost outlays  |
| Overburdened staff Intangible benefits O Not my decision  |
| ○ Risk of privacy breaches  |
| 3. Have you used telemedicine for any purpose in the last 12 months?  |
| ● Yes ○ No  |
| Telemedicine means, as it relates to the delivery of health care services, the use of interactive audio, video, or other telecommunications of electronic technology by a licensed health care provider to deliver health care service(s) within the scope of practice of the health care provider at a site other than the site at which the patient is located. |
| 3a. Approximately how many times in the last 12 months have you used telemedicine for any purpose? 2  (Enter 0 if you did not use telemedicine)   |
| 3b. If you used telemedicine, what are your common uses of telemedicine technology (mark all that apply)?  ☐ Second opinion ☐ Diagnosis ☑ Follow up   |
| ☐ Emergency   |
| Chronic disease management  |
| Other (specify)   |

The following questions are to be answered ONLY if your Practice Setting is one of the following: (1) Solo; (2) Single-Specialty Group; (3) Multi-Specialty Group; or (4) HMO Group/Staff

| 4a. Comcast  |   |
|--|---|
|  | ∨ Please Specify :  |
| 5. How do you acce                                     | ess the Internet?  Modern ○ Fiber to the office ● Wireless ○ Other ○ Unknown  |
| 6. Do you provide V                                    | Vi-Fi access to your patients in your waiting area? Unknown   |
